

Welcome to Music at The Sweeney Park School

In this booklet are some activities that will give you an idea of the many things we do in Music lessons at SPS.

Don't feel like you have to attempt all of these, but any you do can be returned to your Music teacher in your first lesson – don't forget to write your name and tutor group on your work!

There are lots of written activities included, and also some interactive web-based programs that give you a chance to make your own music as well.

We look forward to meeting you all in September!

The London Symphony Orchestra

Research information about this orchestra (you may need to use the Internet).

Who conducts it?

Where is it based?

How many people play in the orchestra?

Where do they have their concerts?

How often do they rehearse?

Do they have guest soloists?

How much does each player earn from being in the orchestra?

You may present your research in any format, and you should aim to include pictures and be as creative as possible!

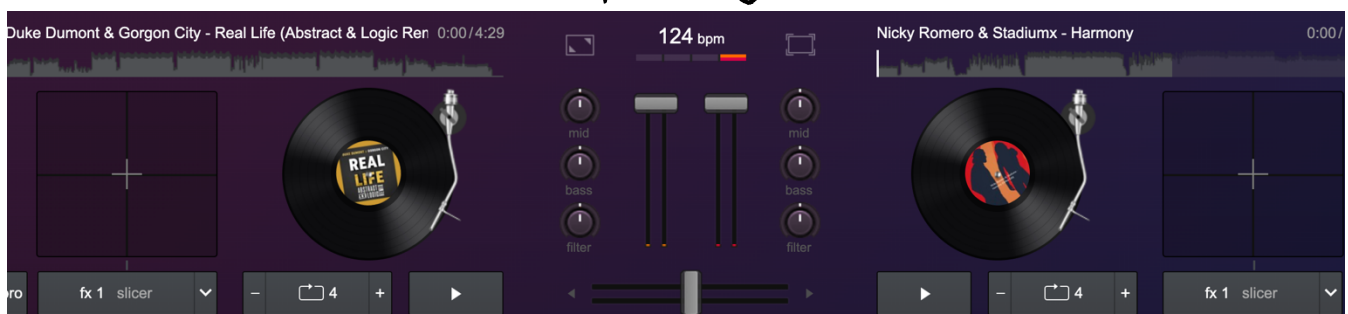

How to create your own music online:

Incredibox.com

An app that lets you create your own music with the help of a crew of beatboxers.

You.dj

An online DJ program that lets you mix different songs online. Use different musical effects to create your beats!
