

Catering Services at The Sweyne Park School

Caterlink are delighted to be working in Partnership with The Sweyne Park School and would like to tell you a bit about us and your catering services.

We love food and hope you will love what we provide for you at your school.

We embrace natural ingredients, love seasonal produce, and develop ethical trading with many of our suppliers. Our meat, fruit & vegetables and bakery is all sourced from suppliers as near to the school as we can. Our menu meets the **SILVER** Food for Life Standard.

Our menus are refreshed every term to ensure we reflect the changing seasons and trends from the high street. 95% of all our food is freshly prepared from scratch on site by our team, so if you have a fantastic recipe you would like us to consider, come and talk to us!

Look out for our special offers and promotions throughout the year! We are also proud to say all our meals are nutritionally compliant with the Government Standards for Food Served in Schools.

You can find out more about us on our website www.caterlinktd.co.uk
