

Statement of Intent

The Trustees of RST School considers the successful management of health and safety to be a key objective and an integral part of school activities. We are committed to reducing and preventing workplace injuries, ill health and unnecessary losses and liabilities so far as is reasonable practicable.

RST is committed to:

- Compliance with all applicable legislative and regulatory requirements.
- Providing a robust, systematic and sustainable health and safety management system.
- Ensuring health and safety roles and responsibilities are understood and communicated throughout the school.
- Identifying our health and safety risks and ensuring provision of suitable and sufficient risk control measures.
- Providing appropriate and relevant information, instruction, training and supervision.
- Consulting with staff on health and safety issues.
- Providing a healthy and safe workplace.
- Providing appropriate emergency arrangements, equipment and facilities.
- Continual improvement in all areas of health and safety management.

We expect all employees, contractors and visitors to take reasonable care for their own health and safety and that of others who may be affected by their actions or omissions.

The Schools Trustees accept their health and safety responsibilities and are committed to developing a culture that supports the effective management of health and safety at all levels.

The Trustees will provide the necessary physical and financial resources, provide active leadership and obtain any necessary expert advice in order to demonstrate our commitment to and support for the health and safety policy.
