ULN Number

From January 2014, all pupils entered for examinations have to be issued with a special number called a ULN, which stands for Unique Learner Number. Your ULN will be used for all examinations you take in future.

The ULN is supplied to the school by an organization called the Learning Records Service (LRS).

The LRS work out your ULN from information you have given the school: your name, address, post-code and date of birth, for example.

Some of the information you supply will be used by the Skills Funding Agency to fulfil its statutory functions, issue/verify your Unique Learner Number (ULN) and update/check your Personal Learning Record. The Skills Funding Agency may share your ULN and Personal Learning Record with other education related organisations, such as your careers service, school, college, university, Government Departments and public bodies responsible for funding your education.

Further details of how your information is processed and shared can be found using the following link:
