

October 2020

Dear Parents/Guardians,

The school meals service has for many years been a highlight of the school day for many pupils, They look forward to break and lunch time with enthusiasm. However as with most goods, inflation has had an impact in the last 14 months, when we last informed you of the need for a catering price rise. From 1st November the average cost of canteen food will rise by an 3.1%. We have been able to freeze the cost of the "Meal deal" at £2.40 which always represents the best value and is a nutritionally balanced meal. The Free School Meals allowance will therefore also remain the same. As always increases to "healthier items" will be minimal or zero and "less healthy" items will receive the main cost increases.

Updates and further information about the school meals' service will shortly be added to the website.

If you have any particular comments, do please contact the school by email via:

admin@sweynepark.com

Yours sincerely,

Katharine Dines
Headteacher
