The Impact of the Year 7 Literacy and Numeracy Catch-up Premium at The Sweyne Park School 2017/18

The literacy and numeracy catch-up premium gives schools additional funding to support year 7 pupils who did not achieve the expected standard in reading and/or maths at the end of key stage 2 (KS2). There were 73 pupils that were below the expected standard in reading and 61 pupils were below the expected in maths.

During 2017/18 the school received £19,000 to support these pupils. This funding was used for:

- Enhancing additional adult support in lower sets for English and maths lessons.
- 1:1 tuition for individual support in literacy and/or numeracy.
- Setting up and running a paired reading scheme.
- Supporting transition from Year 6 to Year 7
