E-Mentoring Project

What is 'e-mentoring'?

We are really looking forward to welcoming you to Sweyne Park.

We are a very friendly school and one of the ways that we can help you prepare to settle in is through our e-mentoring programme.

We have a really enthusiastic and friendly team of Year 7 pupils who are ready and waiting to answer any questions you may have about starting at a new school. For example:

'Will I get much homework?'

'The school is so big. How will I find my way around?'

'What kind of food do they serve in the canteen?'

'I am worried about the older children?'

'Are the teachers nice?'

Remember, our Year 7 pupils were in your shoes last year, so they really understand how you might be feeling, so feel free to ask them whatever is on your mind! Don't worry if you think it is a bit silly, we can guarantee that someone else is worrying about it too!

How do I get involved?

It couldn't be simpler. If you have a question, email our specially trained team and they will reply to you, using their personal experience to help you as much as they can.

On-Line safety

We take online safety very seriously. To make sure that this is a secure system our team will only reply to Year 6 pupils who have registered with us. To do this, make sure you have filled out your email address on the SCHOOL ACCEPTANCE FORM, which is included in this pack. You will be able to email us on ementors@sweynepark.com from 14th May. In order to add you to our secure list of participants, we will need your email address by 12th May.

How does e-mentoring work?

"I am a bit worried about getting lost at my new school."

"I know; I can email the e-mentoring team at Swayne. How do I do that again?"

Step 1: Complete the SCHOOL ACCEPTANCE FORM and include your email address.

Step 2: Email the Year 7 E-mentoring team. The best thing is you can do this whenever a question comes to mind - you don't have to be at school!

Step 3: Our wonderful team of specially trained Year 7 pupils read and reply to emails once a week.

"I feel much better now. I can let my friends know, who might be worried about the same thing!"

We look forward to hearing from you soon!
