

## What to bring to your Examinations?

Black Pen (Biro)	Bring a spare too. You must write <b>all</b> your answers in black ink. Most exam scripts are scanned before marking. Gel pens are <b>not</b> allowed.
Ruler	Make sure the edge is not damaged.
Eraser	Tippex and writing pens are <b>not</b> allowed.
HB Pencil	Useful for diagrams.
Pencil Sharpener	The ones that store the shavings are less messy.
Pencil Case	<b>Must</b> be "clear".
Scientific Calculator	The case and the instructions <b>must</b> not be brought into the exam. Make sure it is in working order. You <b>must</b> clear its memory before and after the examination.
Mathematical Equipment	A protractor, pair of compasses and set square may be required. The case is not allowed.
Highlighters	These can be used to highlight text on the examination paper, but they <b>must not</b> be used in your answers. They can also be used on any insert/source booklet provided with your exam paper.
Coloured pencils	Ideal for Design & Technology, Media examinations.
Bottle of water	<b>Must</b> be a clear bottle and with the label removed. Helps to keep you hydrated.
