

Are you a REBEL READER?

Some books have been banned,
or officially challenged, in schools and libraries all over the world.

They are, however, available for you to borrow
in the school Library!

Why not come to the Library & find out for yourself what the fuss is about?

Alternatively, Email Mwaghorn@sweynepark.com with

'Banned Book Lucky Dip' in the message title, collect from the Library the next day & discover why
that book was banned!
