

# The Sweyne Park School

## E-mentoring Scheme

The best way to deal with something new like coming to secondary school is to find out as much information as you can.

**Often you might think of a question when you are at home and this scheme gives you a chance to send an e-mail there and then.**

You might think your question is a bit silly. It doesn't matter - if it's worrying or puzzling you, send it to us.

The Year 7 E-mentors know how you feel - they were having similar thoughts this time last year!

Our Year 7 E-Mentors are here to reply to all your questions via email!
