Dear Parents/Carers

Budapest

The Health and Social Care Department are excited to offer our Year 12 Health and Social Care pupils a wonderful opportunity to attend a 4 day stay in the Hungarian city of Budapest and get involved with the differences between British Health and Social Care, education, cultural capital and that of those offered in Europe. This trip will include a guided visit to the hospital in the Rock, the Cseppko children's home, plus the Peto institute. Students will also get to enjoy a folklore evening provided by the tour company. The experiences the students will gain lead directly into the work they have been doing for functions of health and social care, the students will benefit greatly from the extra-curricular learning that will take place and will also strongly support their UCAS applications.

The visit will take place from 25th to 28th September 2025. We will be staying at the Baross Hotel on a bed and breakfast basis, evening meals are provided as part of the trip, venues are to be confirmed by Euro Study Tours who are our booking provider.

If your child is interested in being considered for this trip, please complete the Consent Form attached and return this to Pupil Services, along with making the deposit payment on Scopay, no later than Friday 1st March 2025.
