

New Kayak & Canoe Club at the Pool

Crowstone Canoe Club, a new not for profit Club, are hiring our pool and are offering one-hour taster sessions for all ages, introducing participants to kayaking, lifesaving skills, swimming and basic first aid.

first session: £1.00pp (includes all equipment)

subsequent sessions: £5.00pp per session

The £5.00 session fee also includes full club membership for one year. After the first year, membership can be renewed for £10.00 per year for those who wish to continue.

This is a great opportunity to try kayaking in a safe and supportive environment. All equipment will be provided so you can simply come along and give it a go.
